

**You are invited to join us at the March BPW meeting to celebrate our International Night and Annual Candle Lighting Ceremony**

This is a very special night on the BPW Calendar where we celebrate with BPW clubs around the world, and our international connections and networks, to consider those members who do not have the freedom, comforts and successes which we enjoy.

**Our main presenter will be business owner Liz Flatters who will encourage us to**

## **Step up to the Challenge**

Liz Flatters is an enthusiastic and energetic businesswoman who runs the successful marketing and graphic design company Staying in Touch. Since 1995 Liz, and her partner and husband Brett, have worked to make their clients' businesses more successful through innovative marketing ideas and branding, including developing more effective business stationery, brochures and websites.

During October 2008, in her dual role as BPW WA Vice President and "Woman of the Year", Liz travelled to the BPW International Congress in Mexico City where she was both an Australian delegate and a workshop presenter. While in Mexico she also visited the Project Five-O nursing school in La Paz where a scholarship program and building fund have been supported by BPW members for a number of years.

Liz will share her experiences of the trip with us, to inspire and encourage others to step up to the next level and enjoy the challenge.

We will also hear a brief presentation by BPW member, Brigitte Julien, on her passion for trekking. She will tell us what it's really like to move out of your comfort zone and what it is possible to achieve with plenty of preparation and determination.

*We look forward to you joining us;*
