# Using Keys to Achievement to unlock your future

presented by Sandra Cook

Sandra Cook is a long standing member of BPW and Director of Policy for BPW Australia. As a strong believer in the empowerment of women to improve the lives of other women and children, Sandra will share with us her ideas on how we can all make a real difference.

BPW's Keys to Achievement is a program which encourages members to discover their existing skills and to develop new ones. Sandra will explain how we can use these skills to become involved in practical ways to have an impact on local issues and those in the wider community.
