BPW Joondalup Presents

Always have conviction in your actions and choices

That is how you instill faith in others and in what you want to achieve

Joana Pop - Station Coordinator of Hype FM - Perth's newest youth community station on 101.7FM.

As the only paid employee for the station Joana works closely with the stations volunteer base. Her role requires her to manage and oversee the stations presenting, producing, music, programming, events, promotions, community promotion, sponsorship, fundraising and general operations of the community broadcasting license.

Hype FM aims to reach and cater for the youth market through providing opportunities for the youth of Perth to speak out and seek recognition for their social, political, environmental or economical influences and experiences.
