

BPW Joondalup invites you to "Think BIG" about...

Are you getting a fair deal? presented by Helen Creed

From her early days as a social worker, Helen Creed's career has emphasised her commitment to social justice. She has used her position in government, the union movement and as a member of the community to make a significant contribution at state, national and international levels. In 2007 Helen was appointed to the role of WA's Fair Employment Advocate.

Helen will share her views with us as to what makes employment 'fair' and why what might be fair in one situation could be considered unfair in another. She will also provide an insight into the issues surrounding equality and opportunities for working women around the globe.

We look forward to you joining us –
